THE WINE CELLAR AT THE ANGUS BARN

Who killed Alphie Baritone?

A Sopranos© Mafia style murder mystery. Guests arrive having decked themselves out in classic mob attire. Using actual lines from the hit HBO series, the clues will be revealed that will allow you to deduce which member of the Baritone crime family knocked off the Boss, Alphie Baritone. The first to finger the dirty rat will become boss of the family. The traitor sleeps with the fishes.

A Mob Primer

To help you get into the spirit, here's a little guide to help you assume your role as a member of the Baritone Family.

Dress

Just a few simple accessories and anyone can fit the profile.

We hope everyone will join in the fun and dress the part.

Men—

Look #1

Simple—wear your dark suit, get a dark shirt and a white or silver tie with a matching pocket hanky.

Look #2

A velour jogging suit.

Either way,

Look 1 or Look 2
Remember the costume jewelry-pinkie rings, watches, gold chains.
Women—
Let's put it this way,
“How BIG can you make your hair?”

Subtle, is the LAST thing you want to be!

In addition to BIG hair,
go for the BIG false eyelashes and the LONG fake fingernails!
Also don't forget the costume jewelry! Lots of it!
Don't think you are limited to 10 rings because you have 10 fingers or 2 earrings
because you have two ears!
Dress to “show the money”, because as a member of the Baritone Family you have
lots of cash (but not so much class)
Go Gaudy, Girl!
At the mystery,
Everyone will stand up in their turn and reveal a clue. You are welcome to play it
straight or ham it up as much as you like.

Mob Lingo

Attached are a few helpful expressions to help you “talk the talk” as you “walk the walk.”

One Important Note!
Unlike the Sopranos on HBO, the Wine Cellar is rated.

So, in playing your role, please watch your language out of respect.
