## THE WINE CELLAR AT THE ANGUS BARN

Speakeasies (speak-easies) got their name because one had to whisper a code word or name through a locked door in order to be allowed in the illegal drinking clubs. A Speakeasy was a saloon or nightclub that sold alcoholic beverages illegally. Saloons and Speakeasy clubs claimed to sell soft drinks and coffee but served alcohol behind the scenes. Guests arrive having decked themselves out in classic cocktail attire.

Shhhhh.... your discretion is paramount during the prohibition. Please assume an alias and use our rear entrance to the building by the back-loading dock.

## A Prohibition Primer

To help you get into the spirit, here's a little guide to help you assume your role as a patron in the prohibition era.

Fellas, I'm talking the sharpest of sharp suits here: waistcoats, fine ties, suspenders, hats, pocket watches, everything pinstripe, the works. If you're feeling bold, maybe even find a decorative cane to complete the outfit. If you're looking sartorially superb, the rest of the night will fall into place accordingly.

As for the women, it's all about the flapper dress and feathered headpiece. Whether you go bright and vibrant or black and dangerous, the flapper dress is a prohibition staple. It's light, it's free-flowing, and above all else, it's danceable. In fact, there's your litmus test for any prospective outfits for the evening: if you can easily bust a Charleston in it, you're good to go.

Come as a flapper or come as you are. Dress as a gangster or a silent screen star. It's going to be fun no matter the dress. Just bring yourself, we'll take care of the rest.

Just a few simple accessories and anyone can fit the profile.

We hope everyone will join in the fun and dress the part.
